Jake Starr - I've Got Mine (7" vinyl)

Solo 7" single by Jake Starr (Adam West) together with The Hall Monitors from Washington DC. The Hall Monitors are a high-energy rocking garage band that are one of Little Steven's favorites.

They are covering the Small Faces "I've Got Mine" and the Easybeats "Sorry". It's 1966 again, folks! This will be the most MODtastic single of Jake's career.
